STATINTL
STATINTL

1. In connection with log entry No. 1, 31 January, and after consultation with [] I & S. I have informed Senator Gurney that CIA had released [] on the grounds that he did not measure up to CIA standards. Senator Gurney approved our action and pointed out the necessity for keeping CIA clean at any cost.

2. Mr. Bates, FBI Liaison to CIA, inquired as to whether CIA considered itself under the Whitten rider. I informed Mr. Bates that as a general proposition we did not consider ourselves under the Whitten rider but had not reached a complete and final determination.

5. I informed Mr. Lay, Executive Secretary of the National Security Council, that a subcommittee of the Senate Armed Services Committee was considering investigating []. Mr. Lay asked me to check into the matter further and to advise Mr. Gleason, his deputy, as Mr. Lay plans to be out of town for a week.
